Pictos : bcv création

NOTEWORTHY SITES

- 1 Vivien's House or the Druids' Tomb (2,500 BC):** a coffin-like megalithic monument, this tomb contained some interesting tools and objects, confirming the existence of a form of agriculture in the Paimpont region around 1,200 BC
- 2 Trécesson Castle (private):** built at the end of the fifteenth century by Jean de Trécesson, a Breton notable, it is associated with the tragic story of a bride, kidnapped from her carriage by two masked men and buried alive in the castle garden.
- 3 The Giant's Tomb:** this certainly takes its name from its shape and dimensions - 4 metres long and 1 metre wide, according to French CNRS researchers who conducted excavations in 1982.

PROTECT THE ENVIRONMENT

- Stay on the trails to avoid trampling plants and to minimise erosion,
- Close all gates behind you
- Take your rubbish with you until you find a bin,
- Respect the fauna and flora; learn about the importance of conservation
- Ask the local authorities about the hunting season. Some routes may be dangerous during this period
